North Myrtle Beach, SC. 29597

HOOK A KID ON FISHING

We share this program with the youngsters in our area by taking groups of kids fishing, either on boats or piers.

Our organization, **The Seacoast Anglers Association**, is a non-profit corporation under Internal Revenue Code (IRC) Section 501 (c) (3).

Since 2006 when the program was started in this area, we have taken over 1000 kids fishing. Many of these children come from local churches or youth groups in the North Myrtle Beach and Little River area. Many have never had the opportunity or experience of fishing in our ocean or creeks.

The **Seacoast Anglers Association** is partnered with the **Freedom Boat Club** of North Myrtle Beach for a half day trip on a boat for bottom fishing activities for kids free of charge.

Participant Instruction

If your organization has committed to participate in our “**Hook a Kid on Fishing**” Program please take note of the following information.

Your group will be allowed a maximum of twelve (12) participants. There will be 3 boats, 4 youth per boat and an adult chaperon also from your organization. As we accept both male and female youth participants an adult female chaperon is required to accompany any females of your group.

Please meet us at the Office of the Freedom Boat Club at 2120 Sea Mountain Hwy., North Myrtle Beach at 8:30am. Boats will depart promptly at 9:00am and return at 12:00 noon.

Each youth participant from your organization will be provided equipment for use during the event. Lunch will be provided to each participating youth and their chaperon to include hot dogs, chips and a drink.

Please acknowledge your intent to keep this commitment and the number of youth participating from your group (limited to a maximum of twelve (12) no later than one week prior to the event.
