Year-End Leaderboard — Rules of Eligibility

The cost of entry is \$5.00 per **SPECIES**. An angler may enter a larger fish of same **SPECIES** without paying an additional entry fee for that fish. The angler does not have to pay another entry fee until he/she catches a fish that will be entered for a different **SPECIES**. No advance entry fee is required.

Fish must be caught on rod and reel by the angler submitting the entry. A net or gaff may be used to assist with landing the fish. Gigging or spearfishing of any kind is not eligible . Only Legal Fish, example: fish within the Slot Size.

Fish must be caught between Lockwoods Folly in N. Carolina and the South boundary of Georgetown Co. in SC coastal waters or adjacent federal waters .. When fishing from a boat , said boat must launch between the above named locations .

All eligible species on the leaderboard will now be accepted by length measurement in inches instead of weight . A sheet containing the angler's name , species , length and a second party signature verifying the length stated on the paper will be accepted for entry along with the entry fee of \$5.00 .

Blacktip Sharks and Spinner Sharks : These two species must be measured nose to tail in a way to be most accurate & safe and may be measured in the same way as in official shark tournaments .

Only members in good standing of the Seacoast Anglers Association are eligible to enter this leader board. A SAA Angler of the Year will be awarded to the angler with the most leader board entries. Awards for each species entered will be presented in December at an announced date.

All entries are subject to the approval of the Leader board Committee. All tied entrants will remain on the board to be tallied for the SAA Angler of the Year Award.

The leader board will take its' last entry for the year at the Annual November Meeting. The new leader board will start the day **AFTER** our Annual November Meeting.

No entries will be accepted for fish caught during a commercial fishing trip. This includes any trip where fish caught by the angler are to be sold or the angler is being paid to work on the vessel on which fish are landed.

Members wishing to enter a fish on the Leader Board **MUST** enter the fish and pay the fee at the next regular membership meeting.

These Rules of Eligibility will be absolute and final.
